Lee,

Please see attached the NPC-4 study prepared by Degenkolb, as discussed this morning. I have added some highlights for areas I wanted to draw your attention to.

Please have a look and let me know what comments or questions you have.

I will have more information regarding the following before the next board meeting

- Proposal for the final evaluation for submittal to HCAI by the end of this year
- Grant Application documentation (with questions as applicable)
- NPC4 Cost Estimate
- NPC5 Study (Cost estimate may be after the 14th)

I think it would be good to have another call some time the week of the 14th, prior to the board meeting.

I will watch for your e-mail to Patrick from Adventist regarding the Grant Application.

Please let me know

Thank you
